

WISE Ambassador

Position Description

WISE believes that together, we can end violence in the Upper Valley. WISE Ambassadors play a critical role advancing WISE's presence within the community. They may serve as members of our Board of Directors, represent WISE at community events, participate in planning committees for WISE events, distribute WISE materials and offer their professional skills. WISE Ambassadors increase our ability to engage with the community in many different ways about the realities of violence.

Qualifications

- Friendly, outgoing and represent WISE in a professional and inviting manner.
- Interested in learning more about the work of WISE.
- Invested in engaging with the Upper Valley around ending gender-based violence.

Requirements

- Successfully complete, at a minimum, the Foundations of Gender-Based Violence Training.
- To stay current in the happenings of WISE we ask that active WISE Ambassadors complete, at least 2.5 hours of continuing education annually.

All WISE volunteers are expected to:

- **Maintain confidentiality.** WISE has a duty to ensure that those who seek support from WISE are not stigmatized or put at increased danger. Confidentiality is of the utmost importance.
- **Inform the WISE office staff of any interactions that may require follow-up.** Informing staff of necessary information and follow up ensures that we can maintain high quality of advocacy and maintain availability for the community.
- **Contact WISE office staff if you need support or time to process experiences as a volunteer.** WISE staff provides support to our volunteers as part of their responsibility. It is important to care for yourself and seek support from your WISE community. We are here for you!
- **Attend regular volunteer gatherings or events.** WISE organizes volunteer gatherings as a way to connect with the WISE team. We do not work in isolation and find strength and community by connecting with one another.

WISE Ambassadors are expected to:

- **Be available to represent WISE at community events.** This includes providing information at farmer's markets, health and wellness fairs, volunteer fairs, etc.
- **Participate in WISE events.**
- **Be available to support the Prevention and Education Program and Development Department with related tasks as needed.**
