

## **WISE Volunteer and Staff Automobile Insurance Requirements**

WISE needs all employees and crisis line volunteers to:

1. Maintain minimal annual automobile liability limits on your automobile liability insurance coverage
2. Provide WISE with a photocopy of your insurance coverage.

The reason for requiring this coverage is due to established program standards of the NH Coalition Against Domestic and Sexual Violence and very specific requirements regarding automobile liability coverage from the State of Vermont.

WISE employees and volunteers are required to have minimum automobile liability limits of:

\$100,000 per person Bodily Injury

\$300,000 per accident Bodily Injury

\$ 50,000 per accident Property Damage

OR

\$300,000 combined single limit

WISE needs proof of your coverage. Please submit a copy of your insurance policy as documentation of your automobile liability insurance and satisfaction of the above listed minimum coverage.

If your current liability coverage is below the minimum requirements listed above, then please ask your insurance agent to increase your limits to the above minimum limits. For most staff and volunteers, there will only be a modest increase in your current premium.
